Description

DecoRidge® Hip & Ridge Shingles offer a high profile and architectural appeal along with added protection and are specifically designed to complement our Duration® Premium Cool Shingles

- Multi-layer, bull-nosed design for a refined look
- Durable construction: Made of a heavyweight laminate with modified asphalt that improves handling even in cold weather
- When combined with Duration® Premium Cool Shingles, DecoRidge® Hip & Ridge Shingles help reduce energy consumption
- Pre-formed design for simple installation with no need for folding or bending during application
- Limited Warranty* based on the coverage period of the field shingle used.
- 101 MPH Wind Resistance Limited Warranty* with standard 2-nail application
