Description

DuraRidge™ Hip & Ridge Shingles are the first to feature the Triple Layer protection® of our patented SureNail® Technology. SureNail® Technology adds a layer of reinforcing fabric in the nailing zone. A new roof can give your home a whole new look and **DuraRidge™ Hip & Ridge Shingles** provide the finishing touch. Featuring a bold, dramatic appearance and vibrant TruDefinition® colors,* DuraRidge™ Hip & Ridge Shingles are a beautiful complement to our TruDefinition® Duration® Series shingles. In fact, Owens Corning and your contractor can help you choose a DuraRidge™ Hip & Ridge Shingle and TruDefinition® Duration® Series Shingle that are perfectly matched to deliver beauty and performance for many years to come.

- Tapered headlap and clean lines add depth and dimension
- Engineered to deliver 130-MPH wind warranty performance
- Limited Lifetime** Warranty[§] when installed with TruDefinition® Duration® Series as well as other Owens Corning™ laminate shingles

Part of the Owens Corning™ [Total Protection Roofing System](#)™[§].
